

ALLWEST Testing & Engineering, Inc. is seeking a certified special inspector for our office in Hayden, Idaho. Candidates should possess ICC certifications for reinforced concrete and/or structural masonry and it would be preferred if ICC structural steel and bolting, pre-stress post tension, as well as spray applied fireproofing certifications were possessed as well. Good communication skills, both written & verbal and attention to detail are required. Ability to work independently and as a team player is a must. Interested candidates are encouraged to send their resumes to hayden@allwesttesting.com.
